Sponsor Appreciation Corner

Backcountry Experience has been serving Durango and beyond with the most comprehensive selection of outdoor products available for more than 34 years. With particular expertise in boot fitting, pack fitting and all things camp related, the team at BCEXP are routinely trained on the latest gear needed for your favorite adventures, from hiking, trail running, backpacking, climbing, Nordic, winter sports and more.

Our support and appreciation of Durango Trails is a natural fit, as we constantly point people to local trail systems to find their own adventures, and certainly use them ourselves.

And while all those amazing trails are clearly a vital component of Durango's outdoor character, we also believe they've helped us become who we are today, not only as a business but as individuals. Our motto is, after all, "live your passion," and for many of us here at BCEXP and across this community, Durango Trails helps us all do just that.

Congratulations Sepp!
